Dear Club,

A few weeks ago I went to see my younger sister, Nancy, and got the surprise of my life. I had my friend Al in tow, and when we rolled up we were greeted by a really sexy girl who said her name was Vicky and explained that Nancy had been called into work for an extra shift because someone was off sick. Neither Al nor I were complaining, because Vicky was a gorgeous blonde dressed in a robe that set the imagination racing. Not because you could see anything, but the bumps up front indicated that she was blessed in the boob department.

Now Al is a bit more forward than me and soon started flirting with Vicky. Not wanting to witness him in action at such close quarters I went off to make us all coffee. When I came back Al had moved on several bases. In fact, Vicky had lost the robe, revealing that all she was wearing was a powder blue satin basque and thong. Which got me to thinking that this had all been a set-up by my sister. But you know what, I definitely wasn't complaining. Anyway, I said Al had moved on several bases... he had Vicky on her back on the sofa and he'd flopped both her tits – which were every inch as huge as I'd imagined them to be – out and was sucking on them. I got an instant lob-on and put the coffee down on the table, for fear that my excitement would cause them to start rattling around on the tray.

As I was doing so, Vicky said, "Hey Andy, why don't you come and join us."

I hoped that any minute soon I wouldn't wake up and find what was unfolding to be a dream, and went for it. Al suddenly stood up and pulled Vicky's thong aside. Then he parted her flaps with his fingers to expose her sticky pinkness. "Come and feel how wet she is," he said. "Then, seeing as how you bought me over here, you can have first go – because she's told me she's aching for it."

Al moved out the way so that I could make my move. I went to roll Vicky over onto her front when she said, "No, I want you on your back... lie on the floor."

I did and she straddled me cowgirl style, rubbing her tits in my face. I grabbed one and started sucking its hugely engorged nipple. Then I started tweaking them quite hard. Vicky loved that and let out tiny yelps every

time I did it. She squirmed on my cock, which was balls deep in her twat and started playing with her clit. It was all too much for me. I needed to take charge. So I grabbed Vicky by the hips and started banging her up and down my hard-on. She didn't resist in the slightest and let me go for it.

As I was drilling her deep and hard, she clenched her cunt muscles on and off my shaft. She had some control that girl. I swear it was like she was milking my dick. I glanced over at Al. He was wanking his cock, a sight I didn't wish to see. So I said, "Oi, mate, fuck her in the arse."

"Oh yes!" Vicky screamed. "I've never had two dicks at once! Do it hard and do it now!"

I held Vicky still while Al manoeuvred his cock into her bumhole. I knew the exact moment that his helmet popped the pucker, because Vicky shuddered and dug her

BEST OF BRITISH!

Dear Club,

Good to see a nice bunch of British girls in the latest *Club* (39/13 – *The Ed.*). Dani, Danielle and Jenny all did it for me, and while it's a shame Sasha has gone and Jenny might not be modelling for a few years, it's just nice to see that the British glamour tradition hasn't died out. I thought it would with the internet and lapdance bars everywhere, but *Club* keeps unearthing them. Keep it up! Keith, Ipswich.

Happy that you enjoyed seeing the British girls, Keith. While we take the 'International' in our name seriously, we know that readers like to see the cream of the homegrown honeys. And yes, lapdancing and the internet has made it harder to find girls who want to model, but gladly there are still many who take a pride in appearing in print!

KAMI SHAFT!

Dear Club,
Happy to see that Girl of the Year is back in Club. My vote? Kami. I love redheads, even if they're fake, and pair that with a lovely face and a winning smile and I'm in porn heaven. Takes me back to the days of Lucy as your regular girl. Speaking of which, I'd be happy to see Kami in that role – you're overdue a redhead!
Tom, Deal

Good call on Kami, Tom, we're huge fans of hers. Readers – it's not too late to vote for your favourite girl of 2011. Final results next month!

finger nails into my shoulders. "Are you all the way in yet, Al?" I asked

"Ahhh, yesss," he replied, with a sigh.

"Okay, then let's do it," I said. "But not too fast at first, wait until we get a rhythm going."

It took a few strokes before we got it right, but once we had, Al and I banged Vicky like crazy. She squealed like a stuck pig as he relentlessly rogered her arse, while I crammed my cock in and out of her juice dribbling cunt. I knew getting a double-boning would have her cumming in no time, and as she did, Al said, "I'm gonna blow!"

"Pull out then and do as I do!" I shouted.

Then once Al was clear, I pushed Vicky onto her back and fired a huge glob of spunk that splattered all over her smiling face – and Al followed suit seconds later. Seems like I owe my sister a big thank you for this hook up!

Nina cuts to the chase...

It's customary in *Club* for a girl to start off wearing clothes and to gradually reveal more and more of her body as she sheds them. Well, Nina just threw away that blueprint.

"Sorry boys," she giggles, "I just couldn't wait to get naked for all the horny *Club* readers. I like teasing and stripping, but today I just wanted to get my freshly shaven pussy on display."

Yes, about that. That has to be the most careful and thorough shave job we've ever seen. We can't spot a single stray hair!

"Yes, it took me a while," she reveals. "But it's really worth it – it's so sensitive, especially to wandering tongues..." ♣

Wetter than Bouncer's dream...

Australian models long ago got used to *Club* mentioning *Neighbours* and *Home & Away* every time they appear in the mag.

"Go on," sighs Angelina, "Harold Bishop, Bouncer, Lassiters, get it out of your system."

Actually, we were going to start with Mrs Mangel and Toadfish, but cheers.

"There's more to Australian culture than our soaps," protests Hailey.

Go on then...

"Erm, oh shit. Okay, have you heard about this film called *Crocodile Dundee*?" ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

SHOWER PLOUGHER!

I love really rude sex and lots of it. I'm not happy unless I've had a really good orgasm (or three) before the end of the day... and I don't care how I get them. Just to show what a filthy girl I can be, I'll tell you about the other day when I woke-up feeling particularly horny and got my day's quota of orgasms before I set-off for work. My boyfriend knows what I'm like and wasn't surprised when I woke him-up by sucking on his cock. I love the feel of it swelling in my mouth as I tease it with my tongue and suck on it gently.

"Hmmm... I'm still sleepy," he complained as I swung my leg over and lowered my pussy onto his mouth. Well, his cock wasn't sleepy and his tongue certainly wasn't – by the time he spunked his load into my mouth, he'd brought me to a wonderful little orgasm that made my pussy sizzle like water dripping onto hot coals. That was a good start to the day. As I kissed him off to work, I was thinking that I might manage another little session before I had to leave. I thought about my sex toys and about taking one into the shower with me. My pussy tingled as I thought about the biggest one stretching me open.

Once in the shower, I used the suction pad on its base to fasten it in place. It looks funny standing between my feet but the anticipation of the pleasure it can give me is absolutely delicious. I washed my hair and soaped myself thoroughly, concentrating on my soft slippery tits, pausing to pull on my sensitive nipples, before moving down between my

legs. As I washed myself front and back I allowed my fingers to linger. I imagined crouching down over it, guiding it to my pussy and sinking down, impaling myself on the plastic treat, the vibrations making my every nerve fire in ecstasy.

My body was pulsing in anticipation as I dug a couple of fingers inside my pussy, but it was the one that wormed into my bum which gave me a real thrill. I only do anal as a special treat when I'm feeling extra naughty. As I looked down between my legs, I suddenly felt extra naughty. Just the thought of squeezing that monster into my arse was exciting enough to give a special edge to my next climax. It was powerful enough to make my legs wobble... but it wasn't enough to satisfy me.

Through the cold surge of an adrenaline rush, I could feel my need still smouldering. As I thought about that dildo digging into my bum, I felt the embers catch and the flames of desire rise anew. I didn't know whether it would work, but I was flooded with excitement as I decided that I was going to try! I had two slippery fingers in my bum as I squirted lotion onto the dildo. Rubbing my hand over its hard surface, I wondered at what I was trying: it was gigantic – perhaps I should start with something smaller? But even as I thought that, I was angling the tip of the lotion-lubed dildo onto my arsehole.

I was scared at what was going to happen as I transferred my weight from my thighs and let my bum sink ever lower. As I balanced breathlessly, my muscles burning with tension, I felt the slippery stretching of my sphincter indicating that it was losing its fight to keep this intruder at bay. I rubbed my clit, hornier than ever at the dirty thing I was doing to myself. As the stretching continued, realisation dawned that this might in fact be too much. I imagined the shame of hurting myself and having to admit what I'd been doing to my boyfriend: to an unsympathetic medic. With some reluctance, I raised my bum... and found that I couldn't. I was attached to the floor. The dildo was inside me, gripped tightly by the very muscles that had fought to keep it out – and the dildo was firmly fastened to the floor.

Excited fear filled my body as I imagined being trapped like this. Imagined being found with an enormous dildo ensconced in my bum. I began rubbing my clit even more furiously and heightened my pleasure by

“I had two slippery fingers in my bum as I squirted lotion onto the dildo”

tugging my bum up and down. It felt like I was bucking wildly on the dildo, but in reality I was just rocking back and forth a few millimetres. The combination of pleasures was intense and the juices were fairly pouring down my thighs as my clitoris started throbbing, threatening to explode. My bum was aching, stretched well beyond its normal dimensions, far beyond even what was needed to accommodate my boyfriend's cock.

The blend of fear, excitement and physical pain and pleasure twisted into a complicated burst of elation as I made myself cum. I screamed out into the empty house as my body struggled to contain the mixture of intense feelings. It seemed to go on forever, each orgasmic wave firing ecstasy in my throbbing clit before a delicious echo of agony followed as the vice-like grip of my sphincter tightened on the dildo in my arse. Only gradually did the waves subside and I was left with a deep glow of sexual satisfaction.

I managed to extract the dildo from my reluctant rectum, took another quick shower and got ready for work. It was as I drove to

work, relishing the throbbing of my abused bum that I remembered that I'd left the dildo standing erect in the shower. There was a stab of excitement as I wondered whether I'd have chance to move it before my boyfriend found it. Then a further stab of excitement as I wondered what he'd do to me if he did find it and 'made' me admit what I'd been doing with it. My pussy twitched again – I was going to have to sneak into the loo at work to diddle myself to a fourth orgasm at this rate; this was turning-out to be a very good day, even by my filthy standards!

THE ROUGH STUFF

To help pay my way through university I work in a pub a couple of shifts a week. It's a fairly small bar on the outskirts of town and is one of those places where all the regulars know each other's business. All kinds of people drink there, from solicitors to old farmers and it's impossible not to get caught up in the village gossip when you're pulling pints. It was in this pub that I first met Brad. I served him a

pint on my second shift and he came across as a charming, intelligent executive-type. But there was something dodgy about Brad that I couldn't quite put my finger on. He seemed too perfect, dressed in his immaculate suit with his smooth talk and I made a mission to find out more about him.

I soon found out that he was basically the village bastard. The pub gossips told me he was married but couldn't keep his hands off the women and they warned me to keep clear of him if I knew what was best for me. Of course this just intrigued me further.

The rumours proved to be correct. As I got to know him better Brad started to drop rude comments into our conversations and when he slyly winked at me from behind the pumps my pussy tingled with excitement. It wasn't long before I met his wife, who came looking for him one evening when he was really pissed and flirting outrageously with me over the bar. She gave me a wicked glare as she begged him to go home and I have to say I couldn't blame her. But this didn't stop me from picking up where we left off the next time I saw him.

For a long time Brad didn't make a move on me, even though I was desperately wishing he would. I knew the locals were talking about us because our attraction was so blatant but I didn't care. I used to go home

“I was overcome with delight as I felt my tight muscles relaxing around his shaft”

and wank over the thought of being fucked by him and wondered what he'd be like in bed. Night after night I fantasised about shagging him in his wife's bed and the thought drove me to a swift orgasm every time.

Anyway, my wishes eventually came true after one long afternoon session in the bar. I was changing a barrel in the cellar when I heard a noise behind me. Somehow Brad had sneaked in and as I swung around to see who was there, he threw me against the wall. Pushing his weight against me, he pinned me to the wall and I could feel his cock rising into action. “God, I want to fuck your brains out,” he whispered in my ear, as he smothered me with a passionate kiss. His tongue plunged deep into my mouth and I gasped for breath in my surprise and excitement. But before I even had a chance to enjoy the snog properly he pulled away, teasingly. “Come round to my house after work and I’ll finish what I’ve started,” he said, slipping his hand between my legs to rub against my juicy fanny. “My wife’s gone out for the night and I promise I’ll

make you cum like you’ve never cum before.” With that he walked away, confident I’d accept the invitation. I was absolutely stunned by his sheer arrogance, yet for some reason I knew there was no way I could resist.

Somehow I managed to get through the rest of my shift and just before I was about to clock off, Brad finished his pint and left for home. My heart was racing and I could hardly make it to his front door for my anticipation. I had to check that no one was watching as I sneaked down the back alley and the secretiveness just added to the excitement. I tapped on the window and when there was no answer I tried the door. It was open and I nervously stepped inside. Before I’d even closed the door properly, Brad appeared from the darkness and again threw me against the wall. This time I was better prepared and kissed him back hard when he thrust his tongue in my mouth. His chest crushed my own and he ground his cock against my body as we ate away at each other’s face.

I was so filled with lust that I thought I’d

blackout and I was pleased to be pinned against the wall or I’d have probably fallen over. My other lovers had all been about the same age as me and were no comparison to Brad who had ten years extra experience.

He didn’t say a word to me but began stripping off my clothes and didn’t stop until I was completely naked. I stood there feeling slightly self-conscious and this seemed to arouse him even more. He grabbed my hand and put it on his cock, which was now stiff and desperate to get working. Then he tore off his own clothes and pressed his naked body against mine. He couldn’t hold out any longer and pushed me roughly towards the living room where he promptly bent me over the back of the sofa.

I caught a glimpse of his wedding photo on the wall seconds before I felt his cock thrust into my tight little pussy and the reminder that he was a married man gave me an extra kick. His thick shaft plunged deep into my cunt and he drove it hard inside. I was soaking wet and was pleased for the lubrication as he began screwing the hell out of my tiny fanny. He fucked far harder than anyone I’d ever been with before and held me down while he did it – I absolutely loved every minute. I bucked back against his movements and he grabbed hold of my heavy swinging tits to keep his

balance as he rammed his prick into me. We went wild, fucking like animals and I hadn't realised before how great doggy-style can be.

But my pleasure was far from over. As he continued banging away at my fanny, I felt Brad's finger nudging against my virgin bumhole. I'd never been touched there before and the sensation was awesome. He spat on my arse and used his spit to lubricate my pink rose, teasing it until it relaxed enough for him to slip in a finger. I screamed in excitement as the shooting pain of being stretched open, turned to intense pleasure. I couldn't believe I had both my tight holes filled at once and I felt deliciously dirty with a finger up my bum. Suddenly Brad pulled out of my cunt and I gasped as he positioned his bell-end against my anus.

"I told you I'd make you cum like never before, didn't I?" he asked as he began easing his cock inside. At first I screamed for mercy "It won't fit," I begged, my bumhole burning with the sheer width of his prick. But then it sunk inside and I was overcome with slutish delight as I felt my tight muscles relaxing around his shaft. He slowly rocked in and out and in seconds I was begging him to go harder. He didn't need any encouragement and started pounding at my tightest hole.

As I ground against his jerking body, I spotted an empty wine bottle on the floor. "Fuck my pussy with the bottle while you screw me," I whimpered. He did as I asked, moaning that he loved a dirty bitch and thrust the bottle-neck into my cunt. I took hold of the bottle and drove it deep into my pussy as Brad fed his cock into my arse. With both holes packed full, I began to climax and moaned loudly as I did. Brad grabbed hold of my hair and pulled it roughly as an enormous orgasm shook through my body.

I was just managing to get my breath back when he moaned he was ready to shoot his load. "I'm going to fill up your arsehole with my cream," he groaned and I felt my tight tunnel flood with his hot cream. When he eventually finished pumping his muck into my bum and pulled out of my anus, his spunk trickled out of my cavity and covered my thighs. I rubbed his sperm into my skin and licked my fingers dirtily.

I'd just pulled on my clothes when we heard his wife return home I sneaked out the back door and ran away home, my holes squelching with our combined come. Our fun has just begun. We fuck regularly now, and every time it gets dirtier, rougher and better. I'm even contemplating asking his wife to join us next time.

We'd like Dylan to bob...

Dylan Ryder is not to be fucked with. Well, she is if you're one of her extremely lucky co-stars in her slew of adult movies. But outside of those, she is not to be fucked with. When she took a brief hiatus from doing sex on film, she spent time as a correctional officer. Well, there are worse fates than being banged up by Dylan Ryder.

"Yeah, but I couldn't wait to get back to the world of porn, to be honest," she reveals. "Being spat and shouted at by prisoners who've seen me in magazines and films isn't exactly a dream job. Now I get to go and do a job where everyone on set wants to fuck me, and guys watching it want to jerk off over me. It sure beats cavity searches!"

Hmm, the two jobs might just have something in common... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

FEELING GOOD!

We love the Chinese here at *Club*. They're without peer when it comes to making Chinese takeaways, fireworks and gunpowder, and we tip our hats to their ability to eat smelly old eggs like we eat Kit Kat Chunky bars. But some of their medical ideas are pushing it, with what happened to Zhang Nan a cautionary tale. He bathed with live eels, which are supposed to cleanse the skin by nibbling gently at it – similar things are available in London with fish for your feet – but the 56-year-old from Hubei province got more than he bargained for. One eel, living up to its slippery reputation, wriggled up his cock. The six inch eel took three hours to remove from his urethra, and was dead on retrieval. Elvers has now left the building!

THIN BLUE COCK!

Most public servants, caught acting in a porn film online, would put their hands up and say, "It's a fair cop!" But not John Dancler, a parking enforcement official (AKA a traffic warden) in Los Angeles. When the porn video he featured in came to light, he was dismissed for 'engaging in misconduct on the job', more specifically 'groping the bare breasts,

spanking the bare buttocks and being straddled by an adult video actress in public'. This was back in 2008, but he's appealing to get his job back with a civil case. Still, at least he put his dick on the line – it's refreshing to see a traffic warden who's more than just a wanker.

She's taking 'Fuck the police' too literally!

THE HEADLINE THAT WRITES ITSELF!

The *Sunday Sport* was once famous for publishing bullshit stories about WW2 planes found on the moon but, for once, this particularly incredible headline is all true: Gordon Ramsay Sex Dwarf Found Dead In Badger Sett. It's almost like a team of headline writers got together to craft the most perfect *Sunday Sport* headline ever (the *Daily Mail* equivalent would be 'Labour voting immigrant homosexuals cause cancer in Queen'). We're sorry that 35-year-old dwarf, porn star and diminutive Gordon Ramsay lookalike Percy Foster has passed, especially having been chewed up by greedy badgers, but his death was not in vain.

At least I went out in style!

Percy Foster (deceased)

FOSTER'S CHILDREN!

As bright ideas go, this was a 5w environmentally friendly bulb of one. Eugene Foster, of San Tan Valley, Arizona, found a naked photo of his girlfriend's daughter on her mobile phone (we're not sure why he was even looking at her phone) and, to 'teach her a lesson', forwarded it to 40 of her mobile contacts. The real downside? The girl is most definitely underage, and Foster just broke some federal child pornography laws. The school board were forced to contact parents to get them to remove the offending photo from their children's phones and Foster is in custody. Genius.

Ah, I get that quite a bit. She looked great in those shorts in *Tamara Drewe*, so I take it as a compliment.

AND THAT'S QUITE A NATURAL BUSH YOU'VE GOT AS WELL...

Yes, I've let it go at the moment. Sometimes I shave totally bare when I'm feeling naughty, but I know men who really like some bush as well. My favourite porn star Bobbi Starr has got quite a lot of pubes..

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

*Sasha's
Secrets*

I know you naughty boys (and a few naughty girls as well!) want me to dress up in all kinds of kinky things – and check me out as a naughty nurse next month!), but sometimes I feel at my horniest in normal, classy underwear. This is the kind of stuff I'd wear to seduce a guy that I fancied. Simple, slick and very easy to get out of! When the mood really gets me, I don't even peel off my knickers, I just pull 'em to the side so a guy can lick my pussy or stuff his fat cock inside. When I need dick, I really, really need dick!

Don't forget to keep your lovely letters coming. I promise to pet my pussy over each and every one. In fact, I think I'll do that right now... ♣

Dear Sasha

Looking at the pictures of you and your friends getting off with each other in *Club*, I could only think one thing – I wish I was the photographer. If I had been, I'd have been getting things a lot dirtier a lot quicker! Don't get me wrong, I loved the shoot and it has kept my dick very happy for the past few weeks, but I really want to see you in some hardcore action. How about it?

Chris, *Hitchin*

Trust me, Chris, we got very hardcore on that shoot, but there are some things the law won't let us print in *Club*, so you'll have to check the website for those shots, sorry. As for hardcore in general, well, I'm not really into the idea of doing guys on film – I much prefer an intimate one on one – but I just love banging girls with a camera nearby, and I don't plan on stopping any time soon!

Dear Sasha

Sasha, I know this might sound a little strange, but I know you'll understand – I'd really like to see you in a gasmask. Yes, I know it's freaky, but like many fetishes, it just can't be explained. I suppose I just like the rubber, but the thought of you wearing nothing else but a mask is driving me into a right wank frenzy. I don't hold out much hope, but how about it!

Benny, Norwich.

You're right, Benny, it certainly is freaky! I won't have a go at anyone for their fetishes – as long as they're legal – as I've been known to indulge in some weird stuff myself occasionally, but the editor has nixed this one. He says he's not paying me to 'be gorgeous in a magazine so that he can hide my face like an evacuee'. Sorry, mate, you'll just have to imagine this one!

PORN STAR

G R A V E Y A R D

Where we look back at the cock-slurpers who have become angels...

Kandi Barbour

Born Linda Jean Smith in 1956, Kandi Barbour was a popular model, porn actress and exotic dancer throughout the 70s and early 80s. Starring in classics of the time like *Neon Nights*, *Small Town Girls* and *The Pink Ladies*, Kandi was a regular feature on the covers of men's mags of the time, with her teeny tits and big puffy nips. She did hardcore and softcore, looked pretty damn sultry, and while never scaling the heights of porn superstardom like some of her peers and co-stars, she

made a decent career of it. Sad then to report that in January of this year, 55-year-old Kandi was found dead on a San Francisco street, having been homeless for a number of years. Alas it would seem that the industry she retired from back in 1984 didn't have much in the way of a pension scheme. It's worth stars currently working in porn bearing this tragic fact in mind, that you DO (in most cases) get used up and thrown out when you're not looking your best any more. HAVE A BACK UP PLAN, GUYS. Seriously, we don't wanna be reading about more tragic stories like Kandi's. RIP, Pink Lady.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: **Nastassja Kinski**

For men of a certain age (i.e. mine) just the words Nastassja and Kinski spoken in quick succession can cause a bell-end chafing boner in the jeans department. Back in the days before t'internet and Channel 5, you took your flagrant nudity where you could get it, and this German/American daughter of nutjob actor Klaus Kinski had no qualms about disrobing in her sensual films of the late seventies-early eighties. That said, her early nude scenes (in Hammer Films' *To The Devil a Daughter*) were only just legal, and she started a love affair with well-dodgy film director Roman Polanski (yeah, him who's still not allowed back in America) when she was just 15. It was his film, *Tess*, that made her famous back in '79, and she was bloody lush in *Cat People*, *Paris, Texas* and *Maria's Lovers* (in which she has a right old wank). But her career went off the skids by the nineties, and alas the now-51-year-old isn't the fresh-faced ingénue she once was. But yeah, I'd still give her one. And so would you.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

GAME OF BONERS

HBO's *Game of Thrones* goes from strength to strength, offering lashings of sex and violence of the sort that makes Tolkien's fantasy world look like the *Magic Faraway Tree*. And saucy Turkish actress Sibel Kekilli has gone from bit-part prossie in season one to full cast member in season 2, playing Shae. Before that, she had a breakout hit in her native Turkey back in 2004 with the award-winning film *Head-On*. But what she usually leaves off her CV are the nine pornos she made before *Head-On*. Yep, Sibel is one of those rare actresses who has successfully segued from filth to mainstream acceptance (albeit pretty filthy mainstream) and we're very proud to see one of our own doing so well. Let's hope more cock-slurpers follow in Sibel's wake. Please?

SLEDGE HAMMER RIP

"He's a giant teddy bear, a real nice guy," said porn director Bobby Manila of legendary woodsman Sledge Hammer, who passed away on April 12th of this year after being repeatedly Tasered by police after suffering a severe anxiety attack at his LA home. He'd fallen on hard times, with work having dried up in the last few years, and his frequent marijuana use had reportedly made him paranoid, but witnesses at the scene claim that 39-year-old Sledge (real name Marland Anderson) was in no way a threat to the police, in spite of his size, and it was likely his muscular frame that intimidated them into resorting to Tasers. Unfortunately, he suffered a heart attack and went into a coma as a result, never to wake again. The porn community is in shock, and at the time of writing no verdict has been reached on the inquest into his death.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Tanner Mayes is 22-years-old, the proud owner of an XBIZ New Starlet of the Year Award (2010) and was born in a town called Adrian in Michigan. Can't think of anything else you'd want to know about her... Oh hang on, she's a sex-obsessed crazy-ass porn slut with a potty mouth, pert norks and the kind of face the lord God above has no choice but to plonk straight onto the heads of women who fuck for a living. Spend a little time following her on Twitter and your feed will fill with outbursts of the explicit variety, and she recently gave out her gmail address asking for guys to send her pictures of their cocks. Judging from her response on Twitter, many complied. Was I one of them? Hell, maybe. Anyway, here's a little sample of the strumpet's micro-blogging:

"I'm going to work my abs out with my most-efficient masturbation technique. I need to cum like, 3 hard times for a good rep."

"Sometimes my stomache burns so bad while Im clenched up rubbing my clit like an animal, i have to collapse cuz my cunt wont cum"

"I hate those dreams you think ur about to nut in....& it's always that deep, multiple, MOST best orgasm feeling evarr... then ur eyes open."

Follow Tanner at www.twitter.com/TannastyMayes for more of this kind of mayhem, and be sure to ask her if she wants to see your penis. She seems to like penises.

Top Five...

Babes of American Pie

The reunion film is out on DVD soon. Let's celebrate our fave pie-holes...

5: Tara Reid

This boozy party-monster wound up in the tabloids for all the wrong reasons, but back in 1999 when the first film came out she was fresh-faced and well fit. Those epithets no longer apply, sadly...

4: January Jones

The gorgeous *Mad Men* star got down to her bra in the 2003 *American Pie: Wedding* film (no, we didn't see it either) so we can justifiably show a saucy picture of her here.

3: Alyson Hannigan

This cute redhead with a penchant for sticking flutes up herself at bandcamp has had a successful career outside of the *American Pie* franchise, most notably as Buffy's sidekick.

2: Mena Suvari

Doll-faced Mena made her name appearing in films with 'American' in the title ('Pie', 'Beauty') and looks super-great in skimpies. Now can we see her in *American Nude Sexfest* please?

1: Shannon Elizabeth

Remember tugging one out to her frigging one out in the first *American Pie* film? Yeah? You can still do that. It's called a Nostlgioiwank. Go on, give it a try.

Average number of erections during the night: 9 (yeah, but they're 9 hour-long erections) ♣

STEP TO THE REAR! ♣

Isis is worth the climb...

Isis is a big favourite here at Raymond Towers, and seemingly with you lot as well, so we had to invite her back. Of course, we made sure the lift was mysteriously 'out of order' the last time she visited us, just so we could follow her up the 3 flights of stairs to the *Club* office. Trust us, that bum going up stairs is a sight for the ages.

So how best to capture that? Erm, how about a photo shoot where we get her starkers on some steps? Yep, it took us ages to think of it, but it was staring us in the face all along. Pretty much like Isis' amazing arse was as we trudged up the stairs after her. Right, she's gone now, let's get the lift switched on again. We're not bloody athletes... ♣

ANNELI ♣

It's not pronounced 'anally'...

Fresh-faced debutants of unparalleled cuteness? Yep, Anneli makes it easy for us to keep the *Club* traditions going strong.

"I'm so happy to be in *Club*," squeals Anneli, 20. "It's a dream come true."

Well, the pleasure is all ours. In fact, we're hoping this is the start of a very beautiful relationship.

"You mean you might have me in again? That's amazing! I thought it might be a one off."

We gave you the opening set, Anneli, that's usually a sign we like you.

"Ha ha, I'm so excited. Well, thanks *Club*, and thanks *Club* readers. I hope you'll all wank off over me and shower me with lovely spunk!" ♣

BAMBI 

Pretty in pink...

Bambi makes her *Club* debut in this issue, but she was so close to never being a model that it hurts.

"I thought the photographer who approached me was a pervert!" she laughs. "He came up to me in the street and said that I'd look wonderful in the nude, and I was about to call for the police when he told me he worked for *Club*. I'd seen a few issues that an old boyfriend has under the bed, so I took his card and told him I'd think about it."

We're glad you did.

"I am too. It's probably a cliché, but I found it really liberating being nude in front of a camera, knowing it was all for *Club* readers. There was only one downside – I was hoping to get to do one of those nice lesbian photoshoots I see in the magazine."

Don't worry, Bambi, we're lining that up for you as we speak... ♣

FIRSTY WORK! ♣

We apologise for not bringing you Natasha sooner...

We feel like we owe all our readers a formal apology. Natasha here has been modelling for over two years, she tells us, and yet this is her very first appearance in *Club*. What were we thinking?

"I've been dying to be in *Club*," says the 22-year-old from Basingstoke, "and I thought you were ignoring me. I thought maybe I'd done something wrong!"

From where we're stood (okay, sat), you're doing everything right. It was an oversight on our part, we've now put new systems in place and the staff members responsible have been sent to a gulag. ♣
